

Advanced Coaching Programme starts April 2011 in Peterborough

This Level 7 qualification in executive coaching and leadership mentoring is for senior and experienced managers and HRD professionals who want to play an active role in developing leadership capability in their own and other organisations.

We encourage you to bring real work problems with you and find solutions to them during the programme using the skills and knowledge gained and shared. You will experience intensive learning in a high energy and fun environment! Participating will allow you to:

- Learn to use advanced coaching and mentoring skills to release potential and build capacity in your organisation
- Initiate and manage successful change
- Explore how to develop leadership capability in today's fast paced workplace
- Develop a supportive culture of performance-oriented conversation
- Step back from problems and find practical solutions
- Increase your personal effectiveness

At Your Total Coach we are passionate about giving you the skills to succeed join us on our Level 7 Coaching programme commencing April 2011.

Course dates:

19th & 20th April
24th & 25th May
15 & 16th June
13th July

We are a Centre of Excellence
for all your
Coaching needs
